## **Of the Good Times During the Bad Times**

### **SYNOPSIS 75 words**

The documentary film „Casablanca – Of the Good Times During the Bad Times“ tells the story of three people who are stranded in Casablanca on the escape from Nazi Germany and forge a friendship, which gives them hope and human warmth during these hard times.

Today, 60 years later, they meet again and have – perhaps for the last time a meal of “Couscous” together, just like they used to have more than half a century ago.

(Daniel Ritter, Vienna 2004)
